MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Executive Assistant to the DDCI

Bob,

During the DDCI's recent visit [] a major topic of conversation was terrorism. He wonders if your "terrorists" are thinking about the possibilities of increased terrorism in this country instigated by the Libyans, ASALA, or the Iranians. He thinks it would be helpful if you give some thought to developing a paper on this issue, spelling out why or why not such additional terrorism could be expected.
